

BIBB COUNTY SCHOOL DISTRICT
Dr. Curtis L. Jones, Superintendent

March 11, 2020

Dear Parents,

The Bibb County School District’s Superintendent, Dr. Curtis Jones, held a briefing today to provide clarity and transparency regarding the District’s preparation and response to COVID-19. You may view the briefing at the district website, Facebook and/or You Tube. While there are currently no reported cases of COVID-19 in Middle Georgia at this time, the Bibb County School District wants to be proactive should an unforeseen closure be necessary. The District will communicate parent and student learning resources on the District’s website, www.bcsdk12.net, under the Parents tab.

In order to support uninterrupted student learning, the District is preparing for home-based instruction by providing online and offline assignments should the need arise. For students in grades 3-12 that have access to the Internet and devices, eLearning (electronic learning) will be provided through the student’s ClassLink dashboard and Microsoft Teams. For students without Internet access, printed assignments will be made available from the school. For parents of K-2 grade students, learning assignments will be communicated through eMail, Class Dojo, or ClasTag.

By completing the following short survey as soon as possible and returning it to your student’s school, you will be informing the District on how we can provide uninterrupted learning for your student(s). If you wish to complete the survey online, please do so at <https://tiny.cc/BCSDeLearning>.

School Name: _____

Do you have Internet access at home? Yes _____ No _____

Do you have a working laptop or desktop? Yes _____ No _____

Please enter student’s name(s) and grade-level(s).

Student Name _____ Grade _____

Student Name _____ Grade _____

Student Name _____ Grade _____

Parent Name _____ Parent Signature _____
